CFSA Technical Workshop

Discipline Specific

Candidates must attend the 8 day On-Snow Technical Workshop (with TSM 1 & 2). The Technical Workshop includes 9 modules:

3 Technical Modules

- ☒ Comp Dev Skiing Module & Skill Evaluation and **Technical Workbook**
- ☒ TSM 1 Module and Skill Evaluation
- ☒ TSM 2 Module and Skill Evaluation

4 NCCP Sport Specific Modules

- ☒ Analyze Technical Performance: **Workbook**
- ☒ Plan a Practice 2: **Workbook**
- ☒ Performance Planning: **Workbook**
- ☒ Manage A Sport Program: part of the **Technical Workbook**

2 NCCP Multisport Modules

- ☒ Coaching & Leading Effectively
- ☒ Developing Athletic Abilities

All workbooks are to be completed throughout the candidates training period and **handed in to be marked PRIOR to their Observation for FINAL EVALUATION.*

IN-TRAINING Comp Dev Coach
Status valid for 2 years

TRAINED Comp Dev Coach
Status valid for 2 years

NCCP Multisport (MS) Modules

Candidate is responsible to sign up and complete the following NCCP Modules through their province:

- ☒ Prevention & Recovery **MS**
- ☒ Leading Drug Free Sport **MS**
- ☒ Managing Conflict **MS**
- ☒ Psychology of Performance **MS**
- ☒ Making Ethical Decisions **MS (if not already complete in Comp Intro)**

Evaluation Process

Once the 4 workbooks are marked for evaluation, Candidates work with an Evaluator to go through their on-site observation. The evaluator will complete the final evaluation and debrief for Certification.

- ☒ **Workbooks** marked before Observation (4 in total)
- ☒ **Observation:** Done on-snow during a competition week for 3 days, 2 days In-Training and 1 day In-Competition and a debrief.
- ☒ Leading Drug Free Sport **NCCP On line Evaluation**
- ☒ Managing Conflict **NCCP On line Evaluation**
- ☒ Making Ethical Decisions **NCCP On Line Evaluation**

CERTIFIED Comp Dev Coach
Certification valid for 5 years with Professional Development updating
